FIRE PREVENTION AND LIFE SAFETY REPORT

When it is time for spring cleaning, remember a clean house is a safer house. The Fire Prevention Bureau suggests that you take a few moments to check some areas in your house for hazards that could cause a fire.

LIVING OR FAMILY ROOM

- Eliminate overloaded electrical outlets.
- Minimize the number and length of extension cords.
- Allow space around the TV and stereo equipment to prevent overheating.
- Use a metal screen in front of the fireplace.
- Have large, deep ashtrays for smokers and make sure all smoking materials have been extinguished before disposal.

KITCHEN

- Keep surfaces clean and free of grease.
- Do not leave the kitchen while the stove or oven is in use. Many fires begin during unattended cooking.
- Turn pot handles in so they cannot be knocked off or pulled down by small children.
- If you have a grease fire, put a lid on it! Using water will spread the fire.

BEDROOMS

- Make a firm rule not to allow anyone to smoke in bed.
- Working smoke detectors should be installed outside each sleeping area. Test the detectors monthly and change the batteries twice a year.
- Have a home fire escape plan and practice it with your family.

BASEMENTS, GARAGE AND STORAGE AREAS

- Have the furnace, wood or coal burning stoves or any other heating appliance inspected by a professional prior to each heating season.
- Keep areas around heating equipment free of papers, rags or flammable liquids.
- Store gasoline or other flammable liquids in safety cans outside your home.

THROUGHOUT THE HOUSE

- Keep matches and lighters stored where children cannot find them.
- Post Emergency numbers on all phones.
- Do not let papers or trash accumulate.
- Unplug appliances when not in use.

It only takes a few minutes to check your home for fire hazards. You could be preventing a fire and possibly saving a life . . . the life of your family.

Respectfully submitted,

John Alcaldinho, Chief Engineer

Stephen W. Howland, 1st Assistant Engineer

Charles M. Ormonde, 2nd Assistant Engineer

IN CASE OF FIRE - BE PREPARED

Recognizing the possibility that fire may strike your home, decide now how you would be able to save your family's lives were you to awake and smell smoke tonight!

Plan two possible routes to the ground from any upstairs bedroom. It is unlikely that both escape routes would be cutoff by flames during the early stage of fire. We recommend that every home with children conduct regular home fire drills, showing the children where to go and what to do if the normal escape route is blocked by fire.

If Fire Starts:

1. Arouse everyone in the house. Make it your first duty to get everyone out of the house.
2. Call the Fire Department at once.
 - (a) Have number posted near phone. **9-1-1**
 - (b) Know location of nearest Fire Alarm Box.

If Trapped on 2nd or Upper Floors:

3. Jump only as a last resort.
4. Close door leading to hall.
5. Keep low, on hands and knees crawl to window.
6. Open window, top and bottom, place head out window and wait for help.
7. Use porch roof if possible.

ESCAPE RULES

1. Keep close to the floor.
2. Take short breaths and cover face with wet cloth.
3. Keep out of excessive heat and smoke. Feel doors, if hot don't open.
4. Have outside gathering point. Is everyone out?
5. Never re-enter the burning building.

John D. Foster, District Clerk

DARTMOUTH FIRE DISTRICT NO. 1
ANNUAL DISTRICT MEETING
MAY 8, 2000

Pursuant to a Warrant duly issued by the Prudential Committee of the District, the Annual Meeting of the District was held on Monday, May 8, 2000. The Meeting was called to order by the District Clerk at 6:41 P.M. who declared that 35 registered voters being present and that 35 comprise a quorum, a quorum in fact was present. Additional voters arrived after the meeting commenced totaling 38.

The Clerk noted that the Warrants were posted in accordance with the By-Laws of the District in the several locations throughout the District as well as in the Chronicle on April 20, 2000.

A Pledge of Allegiance to the Flag and a moment of silence for those of the District who have died since our last meeting.

The Clerk noted that all appropriations for the meeting would be raised from the Tax Levy unless otherwise stated in the motion.

The District Clerk then took up action on Article 1 of the Warrant.

ARTICLE 1: To choose a Moderator for the ensuing year.

MOVED and seconded to elect Randall Weeks to the position of Moderator

MOVED, seconded and unanimously voted to close nominations for the position of Moderator.

Comes now the vote on the main motion.

VOTED unanimously at 6:43 P.M.

The Moderator was sworn to the faithful performance of his duties, and took over the meeting.

ARTICLE 2: To see if the District will vote to compensate firefighters at the rate of \$17.00 per hour for toned incidents and \$15.00 per hour for details, maintenance, snorkel and garage duty.
Unchanged from last year.

MOVED, seconded and unanimously voted at 6:45 P.M. that the District compensate firefighters at the rate of \$17.00 per hour for toned incidents and \$15.00 per hour for details, maintenance, snorkel and garage duty.

ARTICLE 3: To see if the District will vote to raise and appropriate the sum of \$260,000. for the SUPPORT OF THE DISTRICT, to include travel and training.
The fiscal year 2000 appropriation was \$210,000. Toned incidents have increased approximately 25% since 1998.

MOVED, seconded and unanimously voted at 6:46 P.M. that the District raise and appropriate the sum of \$260,000. for the SUPPORT OF THE DISTRICT, to include travel and training.

ARTICLE 4: To see if the District will vote to fix the salaries of the several District Officers, the Assessors, and the Tax Collector for the fiscal year beginning July 1, 2000 and to appropriate a sum of money therefore.

Chief Engineer	\$44,000.
First Assistant Engineer	\$ 7,500.
Second Assistant Engineer	\$ 7,500.
District Clerk	\$ 2,500.
District Treasurer	\$ 7,000.
Prudential Committee (3 @ \$800.)	\$ 2,400.
Auditors (3 @ \$550.)	\$ 1,650.
Oil Burner Inspector	\$ 1,600.
Assessors (3 @ \$125.)	\$ 375.
Tax Collector	<u>\$ 125.</u>
	\$74,650.

Unchanged from last year.

MOVED and seconded that the District fix the salaries of the several District Officers, the Assessors, and the Tax Collector as printed the warrant for the fiscal year beginning July 1, 2000 and appropriate \$74,650. therefore.

Discussion ensued.

MOVED and seconded to amend the compensation for the Chief Engineer to \$45,320.

Discussion ensued.

So voted.

Comes now the vote on the main motion.

VOTED by a majority as amended at 6:55 P.M.

ARTICLE 5: To see if the District will vote to raise and appropriate the sum of \$40,000. for the BUILDING ACCOUNT for maintenance and running expenses of the land and building owned by the District.

The fiscal year 2000 appropriation was \$25,000.

MOVED, seconded and voted at 6:57 P.M. that the District raise and appropriate the sum of \$40,000. for the BUILDING ACCOUNT for maintenance and running expenses of the land and building owned by the District.

The Moderator adjourned the regular meeting to take up action on the articles in the Special District Meeting. The regular meeting to reconvene immediately following the conclusion of the special meeting. 6:58 P.M.

The regular meeting reopened at 7:01

ARTICLE 6: To see if the District will vote to authorize the Board of Engineers, with the approval of the Prudential Committee, to sell or otherwise dispose of any surplus equipment belonging to the District.

This article is an annual request.

MOVED, seconded and unanimously voted at 7:01 P.M. that the District authorize the Board of Engineers, with the approval of the Prudential Committee, to sell or otherwise dispose of any surplus equipment belonging to the District.

ARTICLE 7: To see if the District will vote to appropriate the sum of \$18,500. by transfer from SURPLUS REVENUE (FREE CASH) for the RESERVE FUND.
The Reserve Fund is utilized for extraordinary and unforeseen expenditures. The unencumbered balance will revert back to Surplus Revenue at the end of the fiscal year. Amount unchanged from last year.

MOVED, seconded and unanimously voted at 7:01 P.M. that the District appropriate the sum of \$18,500. by transfer from SURPLUS REVENUE (FREE CASH) for the RESERVE FUND.

ARTICLE 8: To see if the District will vote to raise and appropriate a sum of money for the following specific purposes:

A: Turnout Gear	\$15,000.
B: Insulated Garage Doors	\$25,000.
C: Communication Center - Phase III	\$10,000.
D: Upgrade SCBA	\$15,000.
E: Portable Pump - Fire Boat	\$ 5,000.

MOVED and seconded that the District raise and appropriate the sum of \$70,000. for the following specific purposes:

A: Turnout Gear	\$15,000.
B: Insulated Garage Doors	\$25,000.
C: Communication Center - Phase III	\$10,000.
D: Upgrade SCBA	\$15,000.
E: Portable Pump - Fire Boat	\$ 5,000.

Discussion ensued.

VOTED by a majority at 7:10 P.M.

There being no further business to come before the meeting it was: MOVED, seconded and unanimously voted that the meeting stand adjourned at 7:11 P.M.

ATTEST:
John D. Foster, District Clerk

DARTMOUTH FIRE DISTRICT NO. 1
SPECIAL DISTRICT MEETING
MAY 8, 2000

Pursuant to a Warrant duly issued by the Prudential Committee of the District, the Special Meeting of the District was held on Monday, May 8, 2000. The Meeting was called to order by the Moderator at 6:58 P.M. who declared that a quorum was present.

The Moderator then took up action on Article 1 of the Warrant.

ARTICLE 1: To see if the District will vote to appropriate the sum of \$50,000. by transfer from SURPLUS REVENUE (FREE CASH) for the fiscal year 2000 SUPPORT OF THE DISTRICT.

MOVED, seconded and voted at 6:59 P.M. that the District appropriate the sum of \$50,000. by transfer from SURPLUS REVENUE (FREE CASH) for the fiscal year 2000 SUPPORT OF THE DISTRICT.

ARTICLE 2: To see if the District will vote to transfer ownership of one 1983 Ford Engine, VIN# 1FDYK80U8DVA09080 to Dartmouth Fire District No. 2 for the sum of \$1.00.

MOVED, seconded and unanimously voted at 7:00 P.M. that the District transfer ownership of one 1983 Ford Engine, VIN# 1FDYK80U8DVA09080 to Dartmouth Fire District No. 2 for the sum of \$1.00.

There being no further business on the Special Warrant the body reconvened on Article 6 in the regular Annual District Meeting. 7:00 P.M.

ATTEST:

John D. Foster, District Clerk

REPORT OF THE PRUDENTIAL COMMITTEE

We herewith submit our annual report for the year ending December 31, 2000.

The Prudential Committee after the annual election organized as follows:

JOHN FURTADO - Chairperson
SANDRA HOWLAND - Clerk
RICHARD FERREIRA - Resigned

During the year, regular monthly meetings were held, at which time business was transacted and bills approved. The committee approved all vouchers appearing on the treasury warrants.

Requests by the Board of Engineers for new equipment and repairs of present equipment were granted in order to maintain the efficiency of the department.

The Prudential Committee, together with the Board of Engineers, continue to study the future needs of the District.

During the course of the past year, the apparatus room was furnished with new insulated doors which has considerably cut down on heating costs. As part of our efforts we continue to update and maintain the building in proper condition.

The Prudential Committee wishes to thank the officers and men of the district for their cooperation and assistance during this calendar year.

Respectfully submitted,

Prudential Committee
John Furtado, Chairperson
Sandra Howland, Clerk

REPORT OF THE BOARD OF ENGINEERS

The Board of Engineers once again has worked hard to continue to restructure the department. With this, District One has responded to more than fifty-nine more calls this year than last year, due mostly to the new policy that all three fire districts have with the Police Department which is the 911 dispatch for the fire departments. The board is also working hard to make sure we have a truck on the west side of the bridge and automatic response by District Two when the Padanaram Bridge is closed to motor vehicles.

The fire prevention program now has five members, so we can provide more fire safety programs for our senior citizens, day care facilities and more men to teach the SAFE program in the local schools. With the help of the new men, this department now is able to offer fire safety programs at the station.

The board is proud that the new E-One pumper that was put into service this past year has responded to more than 200 calls, and has worked outstanding when needed.

Once again all equipment maintenance has been done in house or has been sent out so we can keep all the equipment in top running order. The three aerial devices will be tested later this spring by American Test Center as required by National Fire Protection Association requirement of once a year. All seven of the department's vehicles have had their annual State and Department of Transportation inspections done with no major problems found.

Once again the Board of Engineers would like to thank all the firefighters for their outstanding job and cooperation in attending drills and incidents that have occurred this year. We also would like to thank all District One residents for their continued support throughout the year.

Respectfully submitted:

Board of Engineers

John R. Alcaldinho, Chief

Stephen W. Howland, 1st Assistant

Charles Ormonde, 2nd Assistant

REPORT OF THE TRAINING COMMITTEE

During the past year, meetings of the Training Committee were held regularly on the last Sunday morning of each month for the purpose of developing and implementing departmental drills and training programs to address the continuing needs of the District.

As has been the policy since the establishment of this committee, representation is maintained from all departmental ranks. During 2000, the District 1 Training Committee consisted of the following eight members:

1st Assistant Engineer Stephen W. Howland
Training Officer Captain John Judson
Lieutenant Antone Andre
Lieutenant Kimball Baker, III
Firefighter Peter Andrade
Firefighter Marc Andre
Firefighter Jeff Costa
Firefighter Troy DeCouto

During the past year, regular bi-monthly drills have been conducted on the first and third Wednesday evening of each month under the direction of the department officers. Continued emphasis has been placed on practical firefighting applications involving both apparatus and fire ground training evolutions, including water supply and pump operation, ventilation, SCBA fitness training, boat and water rescue, and vehicle extrication. Friday morning training sessions are also conducted to accommodate members unable to attend Wednesday evening drills. In accordance with state requirements, mandatory CPR and First Responders First Aid training has also been conducted for all firefighters.

In April, nine department members participated in courses at a training weekend sponsored by the National Fire Academy in Emmitsburg, Maryland. Various training courses and seminars sponsored by the Massachusetts Firefighting Academy at both the state fire training academy in Stow and other facilities throughout the area are also attended regularly by department members.

At this time the Training Committee would like to take the opportunity to thank all of the department members for their time, effort, and cooperation throughout the past year, and ask for their continued future commitment to ensure our goal of providing quality fire service protection to all residents of the District.

Respectfully submitted,

Dartmouth Fire District No. 1
Training Committee

EQUIPMENT REPORT

Inventorying and identifying of all firefighting, rescue, extrication, lighting and salvage / overhaul equipment within the department with truck / compartment numbers on each of the pieces of apparatus which maintains the systems integrity continues to be done by garage duty quarterly. All of said equipment continues to be in good working order.

In February of 2000 the Annual P.P.E. (personal protective equipment) inspection was performed by 1st Assistant Engineer Stephen Howland. All gear was inspected, a list formulated and presented to the Board of Engineers where it was approved and forwarded to the Prudential Committee. Purchases were made to replace worn or defective gear and distributed to those individuals.

1st Assistant Engineer S. Howland approached the Board with a request to enter into a three year plan to replace the members firefighting gear (bunker coats and bunker pants) due to general wear and improper sizing. The 2nd phase was placed on the 2000 warrant as a capital expenditure. It was approved at the annual meeting in May of 2000, purchases were made and distributed to those in the 2nd phase.

In the late summer of 2000, all of the Class "A" Uniforms arrived and were distributed to the members. Since that time those individuals representing the District have done so with great pride.

With the boat lift completing it's 1st full year of service, the Engineers have found that there has been a significant decrease in it's response time to an incident scene. With the purchase of a new portable fire pump with a 100 gallon / 100 psi capacity the department should greatly increase its firefighting capabilities.

Respectfully submitted,

Stephen W. Howland
1st Assistant Engineer

FIRE ALARM SUPERVISOR'S REPORT

The members of the department that are directly responsible for the system installation, maintenance testing and repairing of all aspects associated with fire alarm system wires, boxes, and siren are listed below.

Alarm Supervisor	1st Assistant Engineer Stephen W. Howland
Captain of Alarm	Captain Joseph Ormonde
Radio Room	Manuel Costa
Driver	Paul Ferro
Bucket (day crew)	Lt. Kimball Baker, III
Bucket (night crew)	Jeff Costa
Alternates	Paul Mendonca, Peter Andrade, Marc Andre Antonio Melo, Rick Melo, Al DeMelo

Weekly alarm testing and general announcements are the responsibility of the Wednesday night crew consisting of:

Radio Room	Manuel Costa
Field Operations	Antonio Melo
Alternate	Paul Ferro

Annual inspection of the fire alarm system has verified that it is in good operating condition and that there are no grounds or system shunts. All fire alarm signaling boxes continue to be tested on a rotating schedule and are functioning properly.

As always this system continues to prove its value in playing an integral roll in notifying the department of problems within our community. Everyone should know of the location nearest you and how to operate the box to seek help when other means are unavailable. If anyone has any questions on the locations or their operation, please feel free to contact myself or a member of the alarm crew at 508-996-1596 for information! The life you save maybe that of a loved one.

Stephen W. Howland
1st Assistant Engineer

AUDITORS REPORT

We the undersigned Auditors of Dartmouth Fire District No.1, hereby certify that we have examined the accounts of John D. Foster, Treasurer of the District, and find that there is a cash balance on hand of \$123,739.29 in the General Fund June 30, 2000. We further certify that all Treasury Warrants were audited as required by Section 4 of the Article VI of the District By-Laws.

Respectfully submitted,

Marc J. Andre
Troy DeCouto
Paul O. Ferro

		Must Equal Cols. (b) thru (e)						

* Enter the fiscal year to which the appropriation relates, i.e., fiscal year 2000 or fiscal 2001.

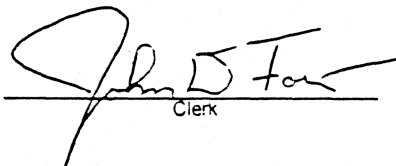

** Appropriations included in column (b) must not be reduced by local receipts or any other funding source. Appropriations must be entered gross to avoid a duplication in the use of estimated or other sources of receipts.

*** Include only revolving funds pursuant to Chapter 44, Section 53 E 1/2.

I hereby certify that the appropriations correctly reflect the votes taken by District Meeting.

Massachusetts Department of Revenue Division of Local Services

Frederick A. Laskey, Commissioner Joseph J. Chessey, Jr., Deputy Commissioner

March 27, 2001

TO THE PRUDENTIAL COMMITTEE/WATER COMMISSIONERS
TREASURER

Based upon the unaudited balance sheet submitted by the District, I hereby certify that the amount of available funds or "free cash" as of July 1, 2000 for the Dartmouth Fire District #1 is \$123,728. This certification is in accordance with the provisions of the Massachusetts General Laws, Chapter 59, Section 23, as amended.

Very truly yours,

James R. Johnson
Director of Accounts

JRJ/gc
